Enriching Lives

Enhancing Flavor, Enriching Life.

Taste the Difference with us.

Mission

The process of rice production is a multi-step, complex and delicate process that requires the expertise of experienced professionals to produce the finest quality rice. We are committed to bringing our customers only the best quality products by maintaining strict quality standards throughout our entire production chain with our integrated rice processing and production hub.

Vision

Driven by passion for purity, we are committed to creating a global food business.Our unrelenting focus on quality, innovation and superior taste reflects in our range of products, enabling us to be the preferred provider of the finest quality basmati rice across the globe

Our Products

Gazal

Gazal Basmati Rice inherits its exceptional qualities from its Himalayan heritage and the world-class milling technology of Bansal Finefoods. With its long grains, rich aroma, and delicate flavor, this premium basmati rice enhances every dish with a touch of elegance. A true inspiration behind some of the finest culinary creations worldwide!

Gazal Signature Basmati Rice features extra-long, pearl-white grains of superior quality with a smooth texture, rich aroma, and naturally sweet taste. When cooked, the grains expand 2.5 times their length, delivering a light, fluffy, and flavorful experience in every bite.

Gazal Heritage Basmati Rice brings a rich taste that transforms everyday meals into a gourmet delight. When cooked, its grains turn soft, fluffy, and incredibly flavorful, making every meal a truly unforgettable experience.

Gazal Zaika Basmati Rice is our finest Golden Sella variety, prized for its superior holding ability and resistance to overcooking. The preferred choice for Arabic delicacies like Mandi and Bukhari Rice, it delivers a rich aroma, distinct flavor and impeccable quality in every serving.

Gazal Ambar Basmati Rice is our finest Golden Sella (Parboiled) rice, renowned for its exceptional holding ability and resistance to overcooking. A top choice for Arabic delicacies like Mandi and Bukhari Rice, it guarantees a distinct flavor and superior quality in every meal.

Gazal Platinum XXXL Basmati Rice is the finest in our Creamy Sella (Parboiled) range, celebrated for its unique aroma and exceptional taste. Known for its premium quality and effortless cooking, it is carefully nurtured and cultivated to preserve its soft texture and rich nutritional value

Gazal Gold Basmati Rice is a premium Creamy Sella (Parboiled) rice, perfect for a delightful culinary journey. With its rich taste and high nutritional value, it is an ideal choice for Mughlai, Indian, Chinese, and traditional cuisines, making every dish truly exceptional.

Marshal

Marshal Basmati Rice brings to your table a warm and genuine gourmet experience. The finest Indian Basmati with delightful aroma, delicious taste and long texture, a typical Indian Experience for the Global Palate. Come, Savour the Speacial gift from the Heart of India, a gift to add festive flavour to your meals.

MARSHAL Royal Basmati Rice is perfect for a Royal feast. It is an extra long grain aromatic rice with a smooth texture and sweet taste. On cooking, the grains fluff up to two and a half times the length which gives it a fine and flavourful taste.

MARSHAL Classic Basmati Rice is an extremely t- ender grain with an amazing flavour and aroma that can transform your everyday meal into go- urmet's delight. On cooking, the grains are very soft and flavourful which makes your every meal the best you ever had.

MARSHAL Special Golden Sella Basmati Rice makes each and every dish special, its golden grains maintain a subtle golden colour even after cooking, and this boosts the visual appeal of Marshal rice. The grains do not break or stick upon cooking, and attain excellent elongation and volume.

MARSHAL Supreme Golden Sella Basmati Rice brings flavour to every dish, with the consistency of t- he grains and the excellent elongation upon cooki- ng makes it the best and most preferred choice for special dishes. The slender, fluffy and non sticky grains mean that it is perfect for personal use as w- ell as for hotels, restaurants, catering (HoReCa) and other bulk uses.

MARSHAL XXL 1121 Creamy Sella is amongst the most popular parboiled rice brands across the globe. The translucent, creamy-white grains do not break or stick upon cooking and attain exc- ellent elongation and volume. Marshal XXL Cre- amy Sella is as much a treat for your eyes as it is for your taste buds.

Global Footprints

Present in 43+ Countries

India is the world's major Basmati rice producer and exporter. Its success in the international rice trade is due to the high quality, long-grain and fragrant rice it produces.

The company aims to export more from year to year. We will strive to promote the country's rice around the world, especially to those who are interested in food made from high-quality Basmatirice.

We have been exporting to more than 43 countries across the globe for the last 27 years. Some of our major export markets include Saudi Arabia, UAE, Iran, Turkey, Canada, Russia, Iraq, Yemen, Egypt, Qatar, Oman, Europe, USA
