AboutUs

AboutUs

BATA FOOD, subsidiary of BARDAKCIGROUP, was founded in 2009 in Istanbul. We specialize in exporting, importing, and supplying a diverse range of food ingredients, including dried fruits, nuts, herbs, seeds, grains, pulses, cocoa, coconut derivatives, superfoods, and puree & juice concentrates. Our products come from both organic and conventional agriculture.

With a strong global presence, we operate through our offices in Turkey (BARDAKCI TARIM), The Netherlands (BATA FOOD B.V.), United States (BATA FOOD LLC), and Bahrain (BATA FOOD GCC).

Our BRC-certified partner facility in Izmir, Turkey, processes a select range of dried fruits and nuts. Additionally, we source and trade over 50 products worldwide, serving the international food industry.

At BATA FOOD, we uphold the values of honesty, integrity, and commitment. These principles have enabled us to grow from a small, one-room company into a global organization with multiple offices around the world. Our long-term relationships with trading partners are the cornerstone of our success.
