# Hakkımızda

Firmamız, sektörde 40 yılı aşkın bir tecrübesi bulunan Muammer Çaputçu'nun yönetiminde Denizli Organize Sanayi Bölgesinde faaliyet göstermektedir. Sektördeki ilk hedefimiz, doğal, sağlıklı, kaliteli ve lezzetli atıştırmalıklarımızı Türkiye'de ve dünyanın birçok ülkesinde bulunan tüketicilerimize ulaştırmaktır. Toplamda 7000m²'lik alan üzerine kurulan tesisimizde nohut eleme makineleri, en gelişmiş teknolojide kavurma, seçme ve paketleme makinelerimiz ile üretim yapıyoruz.

Her zaman kaliteye önem veren firmamız BRC ve Kosher Sertifikalarını belgelendirmeye yetkili uluslararası kuruluşlardan temin etmiştir.

Firmamızın ana ürünü leblebi olmakla beraber birçok kuruyemiş çeşitlerinin üretimini ve paketlemesini yapmaktayız. En önemli ürünümüz leblebi ile bütün kuruyemiş çeşitlerini Avrupa ülkeleri başta olmak üzere dünyanın bir çok ülkesinde alıcılarımızla buluşturuyoruz. Dökme ve paketli kuruyemiş üretimini en sağlıklı koşullarda ve en teknolojik makinelerde, deneyimli ve uzman personel gözetiminde üretmeyi ilke edinen firmamız hedeflerine ulaşmak için var gücüyle çalışmaktadır. Bu hedefimiz doğrultusunda uluslararası arenada üst sıralarda yer almayı amaçlayarak çalışmalarımıza devam ediyoruz.

# About Us

Our company operates in Denizli Organized Industrial Zone under the management of Muammer Çaputçu, who has more than 40 years of experience in the sector. Our first goal in the sector is to deliver our natural, healthy, quality and delicious snacks to our consurmers in Turkey and many countries around the world.

We produce with chickpea sieving machines, roasting, selection and packaging machines with the most advanced technology in our facility, which was established in an area of 7000 $m^2$ in total. Our company, which always attaches importance to quality, has obtained BRC and Kosher Certificates from international organizations authorized to certify.

Although the main product of our company is chickpea, we produce and package many types of nuts. We bring our most important product, roasted chickpeas, and all kinds of nuts to our buyers in many countries of the world, especially in European countries. Our company, which adopts the principle of producing bulk and packaged nuts under the healthiest conditions and the most technological machines, under the supervision of experienced and expert personnel, works with all its strength to achieve its goals. In line with this goal, we continue our work with the aim of being at the top the international arena.
