BRAVO NUTS COMPANY

The World's Premium Nuts and Coffee Supplier

NUTS | COFFEE

ROASTED NUTS | DRIED FRUITS

Our company was established in 2001, Bravo Nuts Company has become a leading name in the edible nuts, dates, and coffee industry, renowned for quality, innovation, and exceptional customer service. Headquartered in Amman, Jordan, the company operates from expansive 20,000 m² modern facilities equipped with state-of-the-art technology, ensuring efficiency, consistency, and the highest product standards.

With 12 advanced production lines, Bravo Nuts roasts premium-quality edible nuts and coffee, expertly packing them in both 10 kg bulk formats and a wide range of attractive retail packings. Our dedication to excellence also extends to our role as growers and processors of dates, where we manage the entire process in our own facilities to guarantee freshness, authenticity, and full traceability.

Bravo Nuts' strong retail presence includes 59 retail stores and 2 shopping malls in Amman, along with 4 stores in the UAE, 3 in Qatar, and 1 in Bahrain operating under the name Alshaeb Stores. This extensive network allows us to connect directly with consumers, offering them products that combine exceptional taste with uncompromising quality.

By blending traditional roasting expertise with the most recent technologies, we consistently deliver products that exceed customer expectations. Whether supplying bulk nuts and coffee to manufacturers or offering beautifully packaged retail products to shoppers, our mission is clear: to provide the best products with the best service, building long-lasting partnerships rooted in trust and satisfaction.
