BRAVO NUTS

We are strategically located in Mersin, Turkey, we operate from 10,000 m² of modern facilities and complemented by our advanced warehouse in the Mersin Free Zone. These two locations allows us to provide fast, efficient, and reliable logistics solutions to our customers worldwide.

Our company was established in 2001, Bravo Nuts has grown into one of the region's most trusted suppliers of premium edible nuts, dried fruits and green coffee, serving manufacturers and industry partners across the globe.

At Bravo Nuts, quality is our priority. We specialize in processing pistachios at our own factory, using the most recent technologies to ensure superior taste, texture and food safety standards. Our product range also includes a wide selection of edible nuts and dried fruits; hazelnuts, walnuts, cashew kernels, almonds, dates, raisins, cranberries sourced from the finest origins, as well as high-quality green coffee beans carefully selected to meet the exacting needs of coffee roasters and beverage manufacturers.

We are committed to innovation at every stage of our operations. By investing in processing and packaging technologies, we maintain product freshness and meet the evolving demands of the global market. Our expert team works closely with each client, understanding their unique requirements and delivering tailored solutions that enhance their production and product lines.

More than just a supplier, Bravo Nuts is a business partner dedicated to building long-term relationships based on trust, consistency, and exceptional service. Whether supplying pistachios to a confectionery manufacturer, delivering almonds to a snack producer or providing premium green coffee to a roastery, we take pride in being part of our customers' success stories.

With over two decades of experience, a strong commitment to quality, and a passion for excellence, Bravo Nuts continues to serve as a reliable link between the world's best growers and the manufacturers who value quality above all.
