Hema İçecek A.Ş. Advertisement

• Our experienced team, working together since 2009, has united under the umbrella of Hema İçecek A.Ş. since 2014. We aim for sustainable growth in both the domestic and export markets by establishing brands in the energy drink, cola, cold coffee, and iced tea categories within the beverage sector.

• We conduct our operations at our facility in Yazıbaşı, Torbalı, the industrial heart of İzmir. Our strategic location provides significant speed and efficiency in our logistics operations:

• Logistical Advantages: Our facility is approximately 25 km from İzmir Adnan Menderes Airport and 45 km from İzmir Port.

• Strategic Location: This easy access to the airport and port provides our company with significant advantages in all processes, from raw material supply to international shipments.

• Modern Infrastructure: With our production center located within Torbalı's developed industrial network, we continue to serve global markets while maintaining the highest quality standards.
