ABOUT US

Our company's production journey started in 1998 with the production of Concentrated Fruit Juices and Turnips. Since 2016, our company has established its second facility in Mersin Free Zone in a closed area of 4.300m2 and an open area of 2000m2, and became Mersin Lemas Ltd.Şti. has expanded its sectoral share and product range with approximately 50 employees. With our third company, Commodity Gıda, besides our existing products; It produces, packs and sells Olive and Olive Oils, Vegetable Oils, Jam and Legumes Varieties.

Our R&D unit, which we have established in order to make continuous improvement in product and production; Our Food Engineers and technical team meticulously carry out their work in our own laboratory. As of today, Lemas Gıda Ltd. Şti. has adopted Total Quality and Food Quality Assurance Management Systems; It produces Ketchup, Mayonnaise, Pomegranate Sour Sauce, Lemon Sauce, Special Cooking Sauces, Vinegar Types (apple, grape white vinegar), Fruit Juices and Concentrates at world standards (ISO 9001:2000 OHSAS 18001 HALAL Certified).

Our Company's Journey, In our two separate facilities; With its experience and knowledge in the sector, it continues its production in healthy, hygienic conditions, sensitive to Environment, Occupational and Occupational Health, with its Advanced Technology machinery park, by producing for more than 40 companies in approximately 20 countries.
