ABOUT MUTLU

We have been offering a delicious and unique taste experience with the same #MutluQuality every single day since 1972. The abundance of wheat that was discovered thousands of years ago, our farmers who cultivate the land with effort and patience, our team who works tirelessly to maintain the consistent #MutluQuality, our suppliers who never compromise on quality, and our consumers who bring us to their tables each of them represents the values that make us Mutlu and strengthen. As Mutlu Makarnacılık A.Ş., we have grown stronger with these values since 1972. Today, with our modern facilities in Gaziantep and Tekirdağ, Mutlu Makarnacılık A.Ş. stands as one of the largest pasta producers in the world and is a leading food company contributing to the Turkish economy.

Nous offrons une expérience gustative délicieuse et unique avec la même #QualitéMutlu chaque jour depuis 1972. L'abondance de blé découverte il y a des milliers d'années, nos agriculteurs qui cultivent la terre avec effort et patience, notre équipe qui travaille sans relâche pour maintenir la constante #QualitéMutlu, nos fournisseurs qui ne font jamais de compromis sur la qualité, et nos consommateurs qui nous amènent à leur table : chacun d'entre eux représente les valeurs qui font de nous Mutlu et nous renforcent. En tant que Mutlu Makarnacılık A.Ş., nous avons grandi et nous sommes renforcés avec ces valeurs depuis 1972. Aujourd'hui, avec nos installations modernes à Gaziantep et à Tekirdağ, Mutlu Makarnacılık A.Ş. se positionne comme l'un des plus grands producteurs de pâtes au monde et est une entreprise alimentaire de premier plan contribuant à l'économie turque.

منذ عام 1972، ونحن نقدم تجربة طعم لذيذة وفريدة من نوعها بنفس #جودة_مطلو كل يوم. وفرة القمح التي اكتشفت قبل آلاف السنين، مزارعونا الذين يزرعون الأرض بجهد وصبر، فريقنا الذي يعمل بلا كلل للحفاظ على #جودة_مطلو الثابتة، موردونا الذين لا يتنازلون أبداً عن الجودة، ومستهلكونا الذين يضعوننا على موائدهم؛ كل منهم يمثل القيم التي تجعلنا سعداء وتقوينا كشركة مطلو مكرونة، لقد أصبحنا أقوى بفضل هذه القيم منذ عام 1972. واليوم، مع منشآتنا الحديثة في غازي عنتاب وتكيرداغ تقف شركة مطلو مكرونة كواحدة من أكبر منتجي المعكرونة في العالم وتعتبر شركة غذائية رائدة تسهم في الاقتصاد التركي.
