OUR STORY

Luck Siam Global

LUCK SIAM GLOBAL

was established in 2012 as a professional exporting company with high experience in providing good quality of products.

Today we are the producer of processed sweet kernel corn products.

We have a contract with farmers and we own a plantation area for sweet corn in the Northern part of Thailand.

ONETWOONE CELSIUS

our factory is located in Chiang Mai province, Northern part of Thailand.
We continuously produce high quality products to satisfy the needs of our customers.
