A variety of flavors, Rich taste buds

Walnuts, also known as walnuts, are rich in nutrition. Ma Yifang's walnut series products use the national geographical indication protection product "Fenzhou Walnut" as the raw material, with full kernels and crispy taste. In recent years, the company has developed a variety of walnut kernel products, including amber walnut kernels, salt and pepper walnut kernels, sesame amber walnut kernels, cranberry walnut kernels, stripped walnut kernels, etc., which are deeply loved by consumers.
