A NATURAL BREAK AMONG FLAVORS

Yummy, a producer of fruit concentrates and fruit juice in Turkey, started its commercial operations in Mersin in 1995.

Since the day it was founded, our company has adopted the principle of stable growth in Turkey and worldwide through its own resources and innovations brought by technology, and reinvests its earnings in line with this goal.

Today, it operates on a total of 20,000 m² outdoor area and 10,000 m² indoor area at the 13th km of the Mersin?Adana highway, in two separate production buildings: a concentrate production line and fruit juice production lines.

Yummy Fruit Juices Inc. has sufficient space for production and storage with a total of 7,500 m² indoor area and a 20,000 m² plot.
