WANA
BY NUMBERS

10 +
YEARS
IN THE INDUSTRY

Founded in 2016, Wana has celebrated a decade of growth and dedication as a leading beverage manufacturer, driven by a core team with over 15 years of deep industry expertise.

60 +
COUNTRIES
EXPORTED

Successfully exporting high-quality beverages to over 60 countries across North America, Europe, the Middle East, Asia, Africa and Oceania.

05 +
MODERN
FACTORIES

Currently operating 1 main 100% Vietnamese-owned factory and partnering with 4 co-invested facilities strategically located across Ho Chi Minh City.

200 +
GLOBAL
BRANDS

Trusted as an OEM/ODM partner by over 200 global brands, supermarket chains, and distributors worldwide.

15 +
LINES
OF PRODUCTION

Equipped with advanced technology to offer optimal packaging solutions and the highest customization in beverage formulas.

600 +
CONTAINERS
PER MONTH

The manufacturing facilities have expanded to reach a steady monthly production capacity of 600 containers to ensure stable output and efficient lead times.
For urgent orders, Wana can still push production up to 40 containers per day.

OUR VISION

2035 TOP 1 OEM - ODM BEVERAGE MANUFACTURING COMPANY IN VIETNAM.

Global partner network. Innovation in products and manufacturing technology. Prestige and quality in every order, and every partner brand.

OUR MISSION

WANA IS COMMITTED TO **"GROWING TOGETHER"** WITH OUR CUSTOMERS - PARTNERS - EMPLOYEES, by:

Flexible & reliable OEM, ODM & Private Label solutions.
High - quality beverages for global markets.
A transparent, efficient & sustainable workplace.

OUR CORE VALUES

Growing Together.

At WANA Beverage, our success is intrinsically linked to yours; we achieve true growth only by growing alongside our clients.

Quality is the foundation.

We are committed to international standards for our product quality, services, and manufacturing processes.

Flexibility - Creativity - Innovation.

We are always proactive in meeting the diverse demands of the global market.

Integrity - Responsibility - Reliability.

We build solid trust in every relationship with our customers, suppliers, and personnel.

People development.

We build a strong team with opportunities for learning and long-term development alongside the company.

ONE - STOP

- Export and Logistics assistance

1 FLEXIBLE MOQ

Providing flexibility and accessibility for businesses of all sizes.
Start small, scale with confidence.

2 OPTIMAL PRICE, ASSURED QUALITY

Delivering exceptional value without compromising on standards.
We make beverages smarter, not cheaper.

3 WE CARE BEYOND BUSINESS

Our care means peace of mind for our customers, allowing them to focus attention and resources on growing businesses without concerns or worries.

OEM/ODM PROCESS

MAKING GREAT BEVERAGES TO LIFE

STEP 1
INITIAL CONTACT

Call us! Email us! Chat to us!
We don't work 24/7.
But we're always ready to assist.

STEP 2
UNDERSTANDING

Your ideal formula?
Your target market?
Your label requirement?
Your packaging?

STEP 3
FEEDBACK & ADJUSTMENT

Feedbacks are crucial for adjustment and perfection. Satisfaction is KEY!

STEP 4
DEVELOPING SAMPLES

Sample be made by professionals in house at no production cost.

STEP 5
DRAFTING QUOTA

We let you know the estimated prices and we can work from there.

STEP 6
DESIGNING

Free label and packaging design.
In-house design team will create the design in your vision.

STEP 7
PRODUCTION

Completed within 20-25 days after deposit received. We can push for urgent orders.

STEP 8
CONTRACT & DEPOSIT

It's standard procedure on the foundation of mutual respect and gain.

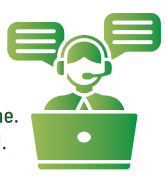

STEP 8
PACKING, LOADING & SHIPPING

Only quality products reach consumer's hands.
We're efficient in documentations.

STEP 9
CARE SERVICE

Accompanying you all the way and all the time.
We're quick, energetic and solution-oriented.

GLOBAL REACH

SUSTAINABILITY INITIATIVES

ENVIRONMENTAL ACTION: SUSTAINABLE FACTORY OPERATIONS

Aligning with the United Nations Sustainable Development Goal (SDGs) to drive a greener global supply chain.

WASTE & EMISSION CONTROL

Rigorous solid waste sorting, standardized boiler emission treatment, and advanced wastewater pre-treatment.

SAFETY & COMPLIANCE

Continuous environmental monitoring, proactive safety drills, and transparent reporting.

GREEN WORKPLACE CULTURE

Ongoing employee training on environmental awareness and strict facility hygiene.

SOCIAL RESPONSIBILITY:
PEOPLE & COMMUNITY

Global Expertise & Innovation:

Rigorous training on top-tier global standards **(FSSC 22000, FDA, HACCP)** and transparent KPI systems designed to incentivize employee breakthroughs.

Ethical & Safe Workplace

Strict enforcement of physical safety protocols, paired with pioneering mental health protection and mandatory health screenings.

Work-life Harmony

Prioritizing personal time and deepening team cohesion through WANA Games and corporate bonding events.

CSR (CORPORATE SOCIAL RESPONSIBILITY)

A fulfilled workforce is the foundation of our exceptional products, and our success is deeply intertwined with the communities we serve.

OUR PEOPLE & WORKPLACE

Ethical & Safe Workplace

Strict enforcement of physical safety protocols, paired with pioneering mental health protection and mandatory health screenings.

Work-life Harmony

Prioritizing personal time and deepening team cohesion through employee welfare programs, WANA Games, and corporate bonding events.

Clean Water Access

Sponsoring clean water solutions to ensure reliable access to safe drinking water for rural communities and local schools.

Afforestation Project

Successfully planted **5,000 forest trees** by 2026 to reduce our carbon footprint, restore ecosystems and drive climate action.

Uplifting Communities

Supporting low-income families with essential goods and funding children's education.
