- pH Balance (Ionized to ph 9.5+)
- Electrolytes enhanced
- ANTIOXIDANT SELENIUM
- Hydration supplement
- Ultra purified

Why Do You Need **pH Balance**?

The human body needs the right pH balance. It's vital for health.
The problem is that our modern diet is pretty acidic.
Processed foods, preserved meat, preservatives and so on form the backbone of convenience foods.
They cause your body to become **more acidic.**
Remember that your body thrives at slight alkalinity.
