Our Brand

Khao Jee Bhar ke

Pragati Foods is one of the leading producers of Premium Basmati and Non-Basmati rice in India. The company specializes in Pusa Basmati and 1121 Basmati varieties of rice. Our activities include Bulk Supply and Private Labelling. Pragati Foods is the Bulk Buyer of paddy and its constantly developing in the direction of expanding and improving the quality of service and increasing supply volumes. Cultivated in the fertile soil of India, Basmati rice is a popular choice among rice lovers. The rich taste and pristine white texture, aroma and fine long grains makes our brand "Vintage Gold", with its pan-India presence, the perfect choice for consumers.

The Making Of Rice

To craft the best grains, high-quality paddy is chosen and processed through modern processing machines under the supervision of the skilled teams of Pragati Foods & RMM Agro Exports. We have a meticulous selection and audit procedure in place thatensures only the finest basmati reaches our production plants. Our experienced production team uses fully automated production lines with advanced new age machinery to ensure precision and hygienic control during paddy processing. This ensures that we consistently deliver the finest quality of basmati rice.
