COMPANY INTRODUCTION

Founded in 2000, Synehon Foods specializes in premium canned fruits and vegetables, supplying global markets. Headquartered in Xiamen, China, we operate two modern factories in Henan (Lingbao) and Anhui (Dangshan) —key regions for fruit and vegetable exports. With access to abundant agricultural resources, we ensure a steady supply of high-quality raw materials, processed through advanced automated systems for precision and consistency. Trusted by leading global retailers, over 80% of our clients have partnered with us for more than a decade. At Synehon Foods, we are committed to building long-term, mutually beneficial relationships worldwide.

GLOBAL REACH OUR KEY MARKETS

With over 20 years of growth, Synehon exports to 80+ countries, building strong, long-term partnerships with global retailers, importers, and distributors. Our core markets include Europe, the US, Canada, Australia, and South America, Middle East, and Africa.

PRODUCTION FACILITIES AND WORK ENVIRONMENT

SYNEHON (LINGBAO)
Founded in 2007, Synehon (Lingbao) Foods is strategically located in Henan Province. Spanning 66,670m², the facility has an annual production capacity of 30,000 tons. Specializing in canned fruits and vegetables, it combines advanced processing technology with strict HACCP quality controls. Certified by FDA, IFS and BRC, the Lingbao plant ensures precise, consistent quality while maintaining environmental sustainability through its in-house waste-water treatment system.

SYNEHON (DANGSHAN)
Established in 2000, Synehon (Dangshan) Foods is based in Anhui Province, covering 26, 600m² with an annual production capacity of 20,000 tons. Focusing on canned fruits and vegetables, the Dangshan facility integrates local agricultural resources with modern processing standards.
