About US

Shaanxi Dingsen Jiecheng Industry and Trade Co., Ltd. was founded in 2021. It is an industrial and trading enterprise integrating walnut planting, processing and export, focusing on the export trade of walnuts and walnut kernels.

Centered on its own local walnut planting base, the company also integrates high-quality nuts supply resources from Northwest China, and is committed to providing global customers with high-quality walnut products, Pine Nut, Pumpkin Seed and Sunflower Seed with stable quality, reliable supply and competitive prices. Equipped with independent planting bases and modern processing plants, we ensure safe, stable and traceable products certified by ISO & HACCP.

At present, our products have been exported to many countries and regions in Europe, America, the Middle East, Central Asia and so on.
