True Flavors Of The Sea

www.docanned.com

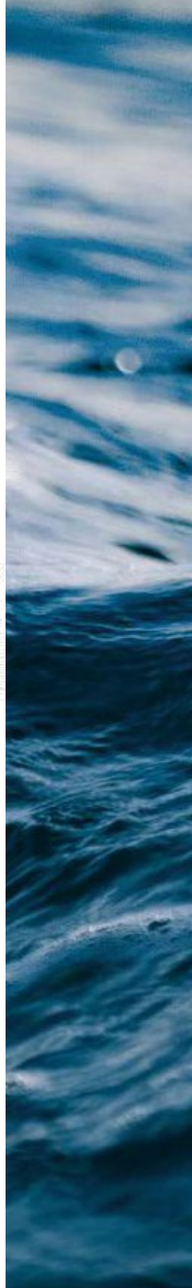

From the Sea to Your Table Since 1986

Founded in the coastal heart of Fujian in 1986, Docanned Food has one mission: to deliver premium canned seafood to every corner of the globe.
With a world-class facility spanning 100,000 square meters and powered by 900+ skilled professionals, we bring craftsmanship, quality, and consistency to every can. From catch to container, we manage every step — earning certifications like HACCP, ISO 9001:2000, HALAL, BRC, and IFS (Food) along the way.

Our reach? Global

Over 86 countries across Africa, Asia, the Middle East, South America, and the Pacific Islands trust Docanned on their shelves—and on their tables.

Development History

1986

Our story began with a 3,000-square-meter factory in Fujian, co-founded by the brothers of the Huang family — a humble beginning.

2015

Our story begins with the opening of the first Docanned Food Factory — 50,000 square meters of ambition in Fujian. This laid the foundation for decades of innovation in seafood processing and export.

2022

We launched the Docanned Meat Products Factory — a new frontier in ready-to-eat meats.

Equipped with advanced tech and strict quality control, it delivers products that are safe, traceable, and delicious.

Every bite is crafted with premium ingredients, blending tradition with modernity, and backed by a fully transparent supply chain.

2024

Our third fish canning factory is here.
Bigger, faster, smarter — built to meet rising demand without compromising on quality.

2025

We're also investing in people.
We bring in top technicians and seasoned managers who share our passion for docanned food, and fuel our drive to lead.

Voice Of Our Ceo

多丞，家族的传承，爱的力量
Docanned -the Strength of Docanned family, the Power of Love.

DOCANNED Food, a privately-owned fish processing factory which built in 2015 in Zhangzhou City, Fujian Province of China, is Our 3rd factory, started since from 1986 by the Chairman- JianChun Huang, the same year our CEO-Tinky Huang, was born.

Docanned Food, covering an area of over 100,000 square meters, manufactures a whole range of canned fish products, including mackerels, sardines, tuna, skipjack, pilchards among others. Our products are exported to more than 86 countries in Africa, Asia, Middle East, South America as well as in Pacific Island countries.

In order to ensure the quality and safety of our products, Docanned Food is certified HACCP (for the whole production process), ISO 9001:2000, HALAL and BRC. Our company is committed to excellence and we continuously invest in research and development for better products.

Our products have a strong reputation not only in China, but worldwide. A powerful leader in the Fujian seafood market, Docanned food offers the best products from the sea, a core business principle our company was established on. This philosophy continues to be driving our activities: supplying high quality products from East Asia and remaining reliable partner to our customers.

Your feedback and encouragements on our products will build our energy. We will do our best. We warmly welcome market operators both from China and abroad to visit our factory, and look forward working with you.
