The Company

Founded in 2008, PT.AK Goldenesia is a subsidiary of AK Group of Companies in India, which mainly focuses on production and distribution of Palm Oil packed products – essential ingredients in bakeries, confectionaries, biscuit industries, diary producers etc.

Our marketing and distribution expertise is a legacy carried forward from the umbrella AK Group and enables us to adapt effortlessly and prosper in the ever changing dynamics of the market. We combine technical excellence with a never ending zeal to deliver the best for our customers and sustain mutually beneficial relationships. Having established a significant presence in Middle East, Latin America, Africa and South East Asian markets, we are well poised to expand our footprints globally.

Having its corporate office in Dubai, the company mainly produces all palm oil packed products like Margarines, Shortenings, Blend Butter ,BOS, Vegetable ghee and also the Lauric fats required for the chocolate industries from Indonesia. As an added value, company also packs for reputed dairy companies in a retail pack in customer's brands.

Our Vision

Is clear...

Maximizing values of highly good and healthy products exported to worldwide destinations to every country by forming a vital identity in broader spectrum of foods, pasty, baking and confectionery industries.

Our Mission

Beyond the imagination...

To be the "number one supplier" from this region by considering every customer as our business partner, sharing the product knowledge with them and being more transparent in every transaction. To provide the best procurement experience to the customers in the field of vegetable fats, round the clock product technical support, delivery status tracking system through our simple searchable website.
